

RAISE CRAZE™

FUNDRAISING THROUGH KINDNESS

March 27, 2019

Dear Tuxedo Chamber of Commerce,

The Tuxedo PTO's main goal for this year is to build an outdoor classroom—a gazebo-like structure that will have benches and chalkboards—where the kids can play, eat lunch, or enjoy a classroom lesson outside. It will also provide some much-needed shade for our playground.

To help pay for this, we recently launched Raise Craze, a fundraiser that encourages kids to be kind. Each classroom teacher at GGM chose two acts of kindness—everything from baking cookies for the custodial staff to writing positive messages with chalk on school pathways, to sewing stuffed animals for the community—that they promised to complete with their class. The faculty will also be handing out "Kindness Coins" to students who they catch in the act of being exceptionally kind.

Our goal for this fundraiser is \$5,000 and we are asking for support from the entire community. Below is a link to the school's fundraiser page. If you'd like to donate, please do so by April 30th.

Thank you for your support!

Also, we are trying to purchase kindness t-shirts for the students to wear to our Kindness Walk in May. The cost of the shirts is roughly \$550. If you'd like to help us with this purchase, please send a check to Tuxedo PTO, 11 Hillside Avenue, Tuxedo, NY 10987 by April 20th with "t-shirts" in the memo line. Thank you!
